

Obedience Skills Questionnaire

Name:

Name of Dog:

The goal of intermediate Obedience is to be able to pass our skills test in 5 key areas.

Every six weeks we will run a test on your ability to fully run through the 5 Key skills.

The first round will be a 7 week test to make week 6 a mock run through.

At completion you'll be given a small certificate and an invitation to Advanced OB.

The goals of each of the 5 skills is as follows. Please check off which of the skills you feel your dog can already accomplish.

PLACE

- place with greetings
- sending at a distance to place
- distraction place

HEEL

- focused heel stalled
- short distance heel
- heel with a greet

DOWN

- duration down
- distance down
- distraction down

WALK

- auto sit when stop
- walking with distractions
- walking with other dogs

RECALL

- distance
- distraction
- straight line (ex. jump over thing to stay on straight path)

If you're not interested in graduating from Intermediate OB, then please list your personal goals so that we can help you fulfill them:
